*THANKS to HJT for stepping up and offering us this great gathering space! We'll also gladly accept donations this night (as we've been doing all along) for good Cape causes - this time the SOUP KITCHEN IN PROVINCETOWN*

*<http://www.ptownsoup.org/> SKIP's goal is to provide nutritious and healthy meals in a welcoming and warm atmosphere for all individuals on the Outer Cape who are either in need or seek community. That's right in line with our Open Mic mission (minus the food!) We've surpassed \$14,000 in cumulative donations since 2005 for 47 different non-profits!*
