## OUR MISSION

---

Cape Cod Theatre Company/Harwich Junior Theatre (CCTC/HJT) educates, empowers, and inspires students of all ages and from all backgrounds to explore and expand their creative talents and aspirations, to experience and appreciate live theater, and to develop and nurture a lifelong love of the performing arts.

## THANK YOU FOR SUPPORTING EDUCATION AND OUTREACH!

*Through the generosity of Roger Ludwig and many others, I was able to return to my position at the theater in early 2018, inspired by your support and the opportunity to revitalize programs central to our mission. The numbers tell a story: More than 500 students enrolled in our classes, with scholarships making education accessible to all. At schools across the Cape, our teaching artists engaged 430 students in enrichment programs and high-quality productions. We hosted 1220 students at matinee performances. We collected 51 winter coats during "Madeline's Christmas," bringing warmth to neighbors. Talk-backs after "Bill W. and Dr. Bob" shows built community among performers and audiences. In 2019, we are investing funds received as a 2018 Seaside LeMans beneficiary, plus matching gifts from others, in a new outreach program aimed at bringing performing arts education to every school on the Cape. Your support makes this vision possible.*

*Thank you - Tammy Harper, Director of Education & Community Outreach*

### IN GRATITUDE AND MEMORIAM: ROGER LUDWIG

*We are deeply saddened by the passing of our friend **Roger Ludwig**, trustee of the Weny Charitable Trust. Roger loved and advocated for CCTC/HJT for years. Through his devotion, we received major funding for building projects, for our school outreach program on bullying and teasing prevention, and in support of our education and outreach mission. We are very grateful to Roger and honor his memory.*

## 2018 Financial Summary

Coming off CCTC/HJT's record-breaking financial performance in 2017, the Board of Directors created a modest building reserve fund and committed to restoring our education and outreach programs. During 2018, total revenues dropped slightly, while expenses increased substantially. Your support helped us operate at a net profit of about \$14,000, but the chart shows heavy reliance on box office revenues and a need for diversification.
