**Edward Etsten: A place of constant enjoyment - over so
many generations and perceptions.**

Our Mission

CCTC/HJT educates, empowers, and inspires students of all ages and from all backgrounds to explore and expand their creative talents and aspirations, to experience and appreciate live theater, and to develop and nurture a lifelong love of the performing arts.

Thank you for supporting the most important theater on Cape Cod - and your home at HJT!

2017 proved that Betty Bobb's vision of "the friendly theatre" endures. You, our intergenerational and global family of supporters, affirmed our mission. In 2018, you are empowering our talented staff and professional teaching artists to provide theater education for all.

CCTC/HJT is in its 67th year as a comprehensive theatrical training ground for children and students of all ages, as well as a professional theater that delights and entertains. We provide creative safe havens where kids find a place to belong and are able to express themselves in judgment-free ways. We capture hearts and open minds. We cultivate artists and leaders of all varieties. We welcome them home, always.

Thank you for helping us spread the joy of the performing arts on the Cape and effecting change on so many levels. After all, when the lights dim, the music starts, and the curtain rises, the magic that unfolds takes us away - and can remain inside, forever.

With gratitude,
Nina Schuessler

**Irene M. Paine: HJT means tons of acting oomph.
And dedication. And stick-to-it-ness. And. . . star power.**
