

Dear Friends,

During this challenging time, we send best wishes for good health and safety. We must also ask for your help. We are naming the week of August 11 – 18 **THE JESTER JUBILEE**, and have a goal of receiving 700 gifts in 7 days.

We are asking everyone we know to give at the level they are comfortable simply by texting **JESTER to the number 44321**. It's so easy.

You may also donate on our website capecodtheatrecompany.org/giving/

Our theatre stands on the dreams, imagination, and creativity of generations of children, youth, theatre artists, and volunteers. We are dedicated to inviting children and young people into the world of theater. And they must be invited in; to participate in an art form that is transformative and life affirming. I am heartened by our 70-year history, and our collective determination to weather the COVI-19 pandemic.

Many of you have supported our theatre and I thank you! I know we can hit the goal with your help. Please keep our treasured theatre alive. Your gift, in any amount, will shine the light of community on our theater. We give you our unending gratitude.

Warmest wishes and thanks,
Nina
