

Hello students and parents!

Here at Cape Cod Theatre Company| Harwich Junior Theater, we want you to know that your health and safety is our number one priority!

Over the past year, many new developments have been released regarding COVID-19. We want you to know that we are taking the utmost precautions in regards to your safety as well as the safety of our staff as we continue in person classes and activities.

We've been adding and maintaining rigorous cleaning to ensure a healthy environment in all parts of our buildings, as well as maintaining a constant natural airflow throughout all of our classroom spaces.

For in person classes, we are taking precautions and doing our best to create and follow the best protocols to maintain a fun, happy, and healthy learning environment.

For in person classes and out of caution, we've temporarily instructed our staff members to welcome our students with a friendly greeting but refrain from handshakes and hugs.

When students are working and learning together, students and staff will be required to wear masks at all times for classes inside the Theatre building and The Arts Center. For outside classes and if students show that they are fully vaccinated, masks will not be required. If a student is not fully vaccinated they must wear a mask during class time.

In following CDC guidelines, the theater is supporting healthy hygiene behaviors by providing adequate supplies, including soap, hand sanitizer containing at least 60 percent alcohol, paper towels, tissues, disinfectant wipes, and face coverings (as feasible).

We are working to post signs in highly visible locations (e.g., building entrances, restrooms) that promote everyday protective measures and describe how to stop the spread of germs.

We welcome the presence and laughter and the cacophony of footsteps in the theatre and at The Arts Center! Our staff has been using our time to make sure that as we begin seeing one another in person, that we all can do so safely.

If you have any questions, please do not hesitate to email info@capecodtheatrecompany.org. For immediate concerns, please call 508-432-2002 ext.12 for Nina Schuessler, Producing Artistic Director; or ext.17 for Tamara Harper, Director of Education and Outreach.
